TERM 2 2024

Birkenhead
Primary School
PTA

Kia Ora and welcome from the PTA! We would love to provide you with a quick look at what's been happening, and let you know about some exciting events & initiatives we have planned for the rest of the year.

Thanks to everyone who joined the whānau camp at school night and congratulations to the winners of the tent setup!

We also want to extend a huge thank you for helping us raise 3K during the event. It was awesome to see the field buzzing with tents, campers, and BPS whānau getting together. Big props to the brave tamariki who rocked the talent show – you put on a great show!

Māra Kai Garden

Last year our fundraising efforts were focused on a new school edible garden. Plans are underway and we look forward to having the garden built and planted this year.

Setting Our Fundraising Goals

As we plan our fundraising goals for 2024, we remain dedicated to enhancing our school environment to enrich children's learning, support play activities, and provide teachers with additional resources in the classroom. We are excited to share that our primary focus this year will be an adventurous project for our students - **a giant spiderweb playground!**

This play equipment will offer a space for students to climb, swing, and explore, promoting creativity and active play.

Your support and participation in our fundraising events will help bring this dream to life, creating a vibrant atmosphere for all at BPS.

Get Involved!

Join the PTA or become a Friend of the PTA. Your contribution, whether it's an hour of your time, an idea, or a shared resource, helps make these BPS events possible. Keep an eye out for our volunteer sheets on Hero and sign-up to help on event days.

We are still on the hunt for a secretary to join the team, so please get in touch if you are interested in helping us keep things running smoothly with your amazing organisational skills. Submit your interest at pta@bps.school.nz
